MSOE Explore Summit for PLTW Students

July 16–21, 2023

MSOE's Explore Summit for PLTW Students is an opportunity for students to spend the week rotating through immersive programs to learn about each of MSOE's engineering majors and determine which one interests them the most. Two majors will be introduced each day through hands-on curriculum. Majors include architectural, biomedical, biomolecular, civil, computer, electrical, mechanical and software engineering. This week will also feature key MSOE partners and sponsors that value your PLTW experience.

The cost of the summit is free to those selected to attend, including meals, housing, tours and sessions. Travel stipends will be available upon request.
